

# September 2021

## Fun Facts

The name "September" comes from an old Roman word, "septem," which actually means 7. That's right – September was the seventh month of the year on the Roman calendar – It did not become the ninth month until the advent of the Gregorian calendar. The Romans believed that September was looked after by the god of fire. So they always expected fires and volcanic eruptions to occur during this month.

## Resident Spotlight

This month we would like to introduce Joanne Kusenberger. Born January 5, 1927. Joanne is a Fredericksburg Native, as she grew up in the Stonewall area. She attended Durham Business College, with the occupation as a secretary and a homemaker. With her time being here she loves to take her daily walks, she loves the view of being outside planting and noticing the flowers bloom. While being very active, we'd like to say Mrs. Kusenberger is quite the athlete her self as she has some power behind the spike, when we play some beach volleyball. Joanne never fails to keep a smile as her smile always brightens the room, we love our sweet Joanne.
